

INSTITUTIONAL MEMBERSHIP

Institutional Membership is specially designed for schools and institutions that would like to fuel the creative process by taking advantage of the PRC's wide range of unique offerings. Since 1975, the Photographic Resource Center has served as a vital forum for the exploration and interpretation of new work, ideas, and methods in photography and related media. The PRC has given students the opportunity to enjoy the world's most celebrated artists, scholars, critics, and curators through lectures, exhibitions, workshops, publications, and other programming. The PRC are excited to continue the conversation with photographers of the future!
